

# Loaded Campfire Potato Bites

The classic “over the campfire” baked potato flavor in a crisp bite sized snack. This snack features a potato skin breader, smoky bacon, creamy cheddar cheese and potatoes, bell peppers and scallions with a hint of smoke flavor. Served with a convenient ready to use rich, savory steak dipping sauce.

### Consumer Market Drivers

- Convenient, portable snack
- Economical new appetizer offering, suitable for very strong value menu positioning

### Customer Focused Solutions

- Ingredients formulated for formed food processing technology
- Cheese fillings designed to capture the sensory delight of the consumer and hold up in processing
- Seasoned with a traditional potato topping blend and rich Kerry butter flavors
- Coatings to meet the needs of both a consumer looking for a new taste and texture, and a processor needing a consistent, differentiated coating
- Suitable for either frozen retail or foodservice

### Broadest Range of Ingredients and Flavors

Contains an innovative combination of Kerry Technologies:

- Unique coatings
- Butter flavor
- Savory seasonings
- Campfire smoke flavor
